G.O., No.68, Judicial, dated 11th January 1896.
G.O., No.R.1933, dated 18th November 1896, communicating to the Inspector-General of Police memo from the Public Works Department requesting that steps may be taken to expedite the submission to Government of estimate for the construction of a Police Station House at Kandal, Ootacamund.

Read also the following:—

From the Inspector-General of Police, Madras, No. 4908, dated 12th December 1896:—

With reference to G.O., R.No.1933 Judicial, dated 18th November 1896, I have the honour to report that the plans and estimates for the construction of a 1st class station house at Kandal, Nilgiris, have been returned to the Superintending Engineer, IV Circle. Colonel Porteous considered a 1st class station was advisable in Kandal Bazaar at Ootacamund and in my letter dated 7th December 1895 No.1888 I said I agreed with him; with the experience I have gained however I now consider that a 1st class station house there is unnecessary.

2. The present arrangement under which the Police are concentrated in the big station at Ootacamund seems to me to be a good one. They are there drilled and looked after by

the

the European Head Constable and are directly under the Inspector. The present station house at Kandal being a dirty native hut, the Superintendent and the Assistant Superintendent are of opinion that a new 3rd class station house there is necessary. I think that this will be sufficient.

3. Under the circumstances I request that the portion of G.O., No. 68 Judicial, dated 11th January 1896, sanctioning the construction of a 1st class station house at Kandal may be cancelled and orders of Government issued in the Public Works Department for the preparation of the necessary plans and estimates for the construction of a 3rd class station house there.

-----o o O o o-----

O R D E R:-No. 24, dated 8th January 1897.

Paragraph 2 of G.O., No. 68, Judicial Department, dated 11th January last will accordingly be cancelled.

2. The necessary orders for the preparation of plans and estimates for the construction of a third class station house at Kandal will be issued in the Public Works Department.
