Sir,

The Deputy Tahsildar's office
at Tirumadanai is enclosed by an
old fence which, my Head Assistant
Collector reports, gives shelter to numerous
reptiles and should be replaced by a Com-
-pound wall.

2. Wire fencing has not been favorably
reported and I propose a mud wall with
tiled coping. As the cost of the work is
estimated at Rs 800 - - by the Incharge
Engineer, I request that the sanction of
Government may be obtained for the
preparation

Preparation of plans and estimates by
the Public Works Department. The work
may be done next year.

I have the honour to be,
