READ—the following paper :—

From A. REA, Esq., Superintendent, Archaeological Survey, Madras, to the Chief Secretary to Government, dated Bangalore, 3rd November 1897, No. 191.

With reference to G.O., No. 2683 W., dated 7th October 1891, I have the honour to state that no estimates have been received from the Superintending Engineers for inclusion in the conservation budget for 1898-99. The Superintending Engineers of the I and VI Circles only have sent *nil* returns. The only sum to be provided, therefore, will be Rs. 120, sanctioned in G.O., No. 239, Marine, dated 19th June 1894, being the allowance granted to the Superintendent of the Seven Pagodas Light-house.

No. 2400, Public.

Transferred to the Public Works Department.

ORDER—No. 3307 W., dated 26th November 1897.

Communicated to the officers concerned.

2. It is observed that the Superintending Engineers, II, III, IV and V Circles, have not furnished the Superintendent, Archaeological Survey, with the estimates prescribed in paragraph 3 of G.O., No. 2683 W., dated 7th October 1891. The omission may probably be due to there being no work of archaeological interest requiring conservation during 1898-99, but this does not prevent the submission of *nil* returns. The attention of the Superintending Engineers concerned is drawn to the omission and they will see that the estimates for 1898-99 are furnished without delay and that those for the succeeding years are sent regularly before the prescribed date.

3. A sum of Rs. 120 will be provided in the Provincial Civil Works budget for 1898-99 to meet the monthly allowance of Rs. 10 sanctioned * for the Superintendent of the Light-house at Seven Pagodas in consideration of the extra duties devolving on him in connection with the conservancy of the ancient monuments at that station.
