 would have had to be
 entertained, whose other upper

 appears therefore no objection
 to sanction being accorded
 to the application. The staff of
 the On will now be brought back to

Bilal Saifur Rai Sahib, Executive Engineer
the Superintending Engineer 5 Circle No. 449 S. R. date
1st November 1897.

I have the honour to state that, consequent on the sudden death of Mr. Govindarajulu Mudaliar Supervisor in charge of Mannargudi Sub Division the Tahsil Overseer of Mannargudi assumed charge of the Sub division. One Clerk V class 1st grade and one peon on Prob who were attached to the overseer, became supernumerary.

2. Another person who was employed under
Gaekwar M. V. Krishnasawmy Aiyar also became
Supernumerary as the latter was deputed for
famine duty.

3. The Supernumeraries of one clerk and one peon have since been absorbed owing to the return of two temporary upper Subordinates to this Division. The 2nd peon will remain Supernumerary till an Assistant Engineer or Supervisor is posted, the Division being still short by 5 hands.

4. As the Examiner has noticed the existence of the above supernumeraries in the Pro: list

the Salary Bill for July 1897, I request that
sanction be accorded to the above supernumeraries
being kept on, and the same communicated
to the Examiners.
