PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Endorsement

of the Public Works Department, No. 1505 D, dated 28th September 1897 on that of the Superintending Engineer, III Circle, Bellary, No. 3623 W, dated 16th September 1897 on letter from the Executive Engineer, Kurnool Division, No. 5C, dated 9th September 1897 :-

With reference to para 3 of Proceedings of Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 6413 dated 14th August 1897, forwarded with your Endorsement No. 3,299 dated 2nd September 1897, I have the honour to report that soon after I relieved him of the Famine Division, Mr. S. A. Subramanya Iyer reported he was ill and submitted a medical certificate accompanying an application for leave. This medical certificate appears not to have been in proper form and the leave was refused. Mr. Subramanya Iyer complained to me two or three times of sore eyes. His health appeared to me to be good, but his eyes seemed weak and consequently I was not exacting. Between us we managed to get through the enormous amount of daily official work. About the beginning of August the eyes seemed to have recovered, for since that time I have had nothing to complain of. Before that date however I did complain to the Superintending Engineer, III that the assistance given me was ~~an~~ inadequate and asked for another personal assistant in place of Mr. Subramanya Iyer to be transferred and it was in consequence of this complaint that the transfer of Mr. Subramanya Iyer has been arranged. Mr. Subramanya Iyer told me he could not work on account of sore eyes.

Endorsement.

Endorsement, No. 3623 W.

Forwarded to the Chief Engineer, Public Works Department with reference to his No. 1207 D, dated 23rd August 1897. Mr. Subramanya Iyer did his duty to the best of his ability and the undersigned begs that the Chief Engineer will be good enough to protect his officers from persecution at the hands of unqualified critics.

Endt. No: 1505 D.

Forwarded to the Revenue with reference to its No. 4349 Mis, dated 19th August 1897.

2. It will be seen that the Superintending Engineer who has had many opportunities of judging of the work done by Mr. Subramanya Aiyar is satisfied that he worked to the best of his abilities.

3. Mr. Subramanya Aiyar has now been transferred and it would perhaps be as well if the discussion about him were allowed to drop.

Order thereon, No. 5931 Mis, d/17th November 1897.
