COPY of a communication from the

Agent, South Indian Railway

to the Consulting Engineer for Railways, Madras,

No. 65, dated 19th January 1897.

With reference to your endorsement
N^o 195, dated 16th January 1897, I have the honour to
inform you that the location of the Nagore Negapatam
line has not yet been decided. The matter is at present
with the Collector of Tanjore whose opinion has been
sought as to the alignment best suited to local require-
ments. Owing to the recent troubles at Negapatam
he has not been able to dispose of my reference but
hopes to do so shortly. I think there is every probability
of the Beach alignment being adopted and trust
that the construction of the customs shed may be
postponed.

N^o 269 dated 21st January 1897.

Forwarded to the Secretary to Government
Public Works Department, with reference to para
6 of G.O. N° 3671 H, dated 19th December 1896.
