PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector-General of Police, Madras, No. 4178, dated 18th November 1897:—

In reply to G.O. R.No. 1616, Judicial, dated 3rd Inst. communicating to me, for early action, copy of Public Works Department memorandum No. 4182 C, dated 15th October 1897, regarding the estimate for the construction of a Police Hospital with out-houses at Anantapur, I have the honour to report that the plans and estimates amounting to Rs. 8200 for the work have been forwarded to the Surgeon-General with the Government of Madras for his opinion. As the original estimate of Rs. 8400 has only been reduced by Rs. 200 in accordance with G.O. No. 1012, Judicial Department, dated 16th ^{June} ~~July~~ 1896, I have asked the Surgeon-General to desire the Sanitary Board Engineer to submit a cheaper design, if possible. On receipt of his reply, I shall address Government on the subject.

2. The estimate was much delayed apparently by the Medical Officer, Anantapur, to whom the Superintendent referred it for opinion. I sent it to the Superintendent on the 15th September 1897 and he returned it after consulting the District Medical Officer on the 14th October.
