REVENUE BOARD OFFICE MADRAS.

Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 8th November 189$_7$.

Mis. No. 4850.

Resolution.

The Board begs to submit a statement showing the Salt works proposed for entry in the P.W.D. Budget (Imperial) for 1898-99.

2. The works shown in the list against items 1 to 4 are provided with reference to the remarks against items (d), (f) & (g) in Government Order No. 2050 W dated 28th July 1897 but it is a question for the consideration of Government whether with reference to Government Order No. 3093 W dated 16th November 1887 the repairs to the portions of the St Joseph's College buildings which are borne on the register of the P.W.D. and classified as "Provincial" should not be provided for in the "Provincial" service budget of the P.W.D.

3. The fifth work is rendered necessary owing to present roof of the office room of the Deputy Commissioner, Southern Division being so low that the room is very hot and uncomfortable especially in the hot weather. To remedy this the Deputy Commissioner proposes to make the room at present with~~XXXXX~~ out a roof next to the clerk's tiffin room in the left wing of the infantry barracks (vide sketch enclosed) habitable by pulling down the partition wall and putting up a high tiled sloping roof. The amount entered in the list is that estimated by the Deputy Commissioner (vide estimate and plan enclosed), but, as the work has to be executed by the P.W.D. and

as

as its cost exceeds Rs.500 the Board requests that Government will be pleased to issue orders for the preparation of plans and estimates by that Department.
