With reference to letter from the S.S. Code direct from the Supdt Govt. Press Madras, it appears that they must have procured the Code from the same source, but this Office does not require the names of any men who obtained copies from the Madras Govt. Press.

OFFICE NOTE.

With reference to office note no. 1933C, dated 3rd April 1897 on current no. 3272 (herewith returned), the Superintendent, Government Press, submits that he also presumes that the list to be supplied to the Superintendent, Government Printing India, Calcutta, by the Public Works Secretariat will contain only the names of officers who have purchased copies of the Code direct from Calcutta. The procedure to be followed in future by this office according to the instructions contained in Column 3 of the statement enclosed in the Government of India letter no. 869 G, dated 24th March 1897, is simply to distribute copies which were already packed and addressed by the Superintendent, Government Printing, Calcutta, and sent here for distribution

Acct. No. a 46.
150—1-8-97.

As it seems that the adoption of this procedure will not in any way facilitate the work of the Superintendent Government Printing, India, and save expense and trouble, but will only increase the distribution work of this office, it is suggested that the practice of direct distribution by post from Calcutta may be adopted.
