FOR ORDERS.

The Executive Engineer Bellary division strongly recommends that S. Dorasawmy Iyer, a clerk in his office, be appointed Accounts Clerk in view to his ultimate appointment to the accounts branch.

The reservation of certain appointments for Accounts Clerks was ordered in G.O. No. 1102W* dated 10th July, 1893. In this order the III Circle was omitted, and there is nothing to show why this was done.

rcle,

Copy of letter No 8,725. B/ 16th October 1897, from H. E. Cl Esquire, Executive Engineer, Bellary Division, to the Superintending Engineer, III Circle, Bellary.

In a recent Communication received from the Examiner P. W. Accounts Madras, I find the Examiner has decided that M.R.Ry T. K Narayanasami Mudaliyar accounts Clerk nominated for No. VI Circle and now doing duty in this office in Connection with Famine accounts should abandon all idea of promotion to the Subordinate accounts Establishment on the ground of his advanced age.

formally vitiated the appointment of S. K. Narayanasami Mudaliyar as an accounts clerk and I have the honor to take this opportunity of bringing the preferential claims of S. Dorasami Iyer, Clerk, in this office to this appointment.

3. Dorasami Iyer is now 30 years old, but he passed the Entrance Test for the Subordinate Accounts Establishment so far back as 1886 when he was only 19 years old. His general educational qualifications are very respectable, he having passed the first examination in Arts held in December/85 Vide also G.O. No 2,720 W, d/24-10-93. He should certainly have secured an appointment as accounts clerk

but for the fact that d/10.7.93, no such app was allotted to this Circle.

4. Dorasami Iyer has such an intimate knowledge of the accounts rules, and procedure relating to this Department that I have no hesitation in saying that he is quite capable of discharging the duties of a Divisional accountant with credit.

His power of work is considerable and he is a thoroughly capable person, deserving of being made an accountant. It is extremely hard on Dorasami Iyer that his merits should remain unrecognised and equally unfortunate that the accounts department for

Copy of letter from the Examiner, P.W. Accounts, Madras, to the Executive Engineer, Bellary Division, No. 716 A/E dated 14th. October 1897.

In acknowledging receipt of the petition of T.K. Narayana Swamy Moodelliar temporary accounts clerk Bellary Division forwarded with your endorsement No. 8214 dated 29th. ultimo, I have the honor to state that I have gone carefully through the petitioner's claim for promotion to the Subordinate Account Establishment, and consider that he is too old to be appointed to that Establishment permanently. I would request therefore that you will once for all inform him accordingly, so as to allay any future misapprehension on his part as to his chances in the direction he aspires to.

Your Office Note No. 4430 C dated 29th. October 1897.

In G.O. No. 1802 W dated 10th. July 1893, no accounts clerk was sanctioned for the 3rd. circle, and I am not aware of the circumstances under which that circle was specially omitted. There is no apparent reason for the omission.

2. I would therefore recommend that an accounts clerk be now allotted for the 3rd. circle, and the Superintending Engineer asked to reserve ~~an~~ one appointment on Rs. 40/50 in lieu of a clerkship of the 4th. class 1st. grade in terms of G.O. 257 W dated 22nd. January 1896.

3. Should Government accept my recommendation I would have no objection to S. Doraswamy Iyer being appointed by Superintending Engineer as a permanent accounts clerk on the conditions already prescribed by Government. I am aware that his age is 30 and Consequently over that prescribed in G.O.

OW 3 / 1344/57

W dated 13th.February 1896; but, bearing in mind the fact that there was no post of accounts clerk allotted to the 3rd.circle to which he could have been appointed, and also the very strong recommendation now and previously made in his favour, I am willing to make an exception to the general rule quoted if approved by Local Government.

4. There is no necessity, however, for increasing Doraswamy Iyer's pay. He is at present in the Rs.30-40 grade, and drawing Rs.34 per mensem, and there are several accounts clerks in this grade who are awaiting promotion to the Rs.40/50 grade in accordance with G.O.No.257 W dated 22nd.January 1896 and G.O.No.1611 W dated 28th.May'96: but if there is an existing vacancy it is quite open to the Superintending Engineer to promote him. On this point a reference is invited to para 2 of my Office Note No.1601 D/E dated 20th.May 1897 and G.O.No.2878 W dated 13th.October 1897.

5. The other proposal of transferring the appointment of accounts clerk allotted for the 6th.circle to the 3rd.circle should not I consider be agreed to. I enclose for information copy of my letter No.716 A/E dated 14th.October 1897 to the address of the Executive Engineer Bellary Division. Although I have decided that T.K.

Narrainasawmy

Narrainasawmy, accounts clerk 8th.circle, should not look forward for permanent advancement to the Subordinate accounts Branch, yet, as he is eligible for promotion to Temporary accountant 8th. grade, he should, in my opinion, be retained on the list of accounts clerks. In any case the Superintending Engineer VI circle should I think be consulted in the matter before the transfer is made.
