Read the following paper:—

Engineer,
From the Superintending, V Circle, No. 94 M, dated
C
31st October 1897 :—

I have the honour to inform you that, in accordance with G.O., No. 792, Judicial, dated 19th April 1893, communicated with Public Works Department G.O., No. 1211, W, dated 5th May 1893, an estimate of Rupees 1,140 was sanctioned in 1894-95 for converting the rear portion of the old Taluk Cutcherry Chidambaram, into a Subregistrar's Office, after the completion of the new Taluk Cutcherry which was then under construction. The new Cutcherry was complete and handed over in May 1896, and since then the conversion of the old Taluk Cutcherry has not yet been carried out for want of funds.

2. With reference to the enclosed copy of letter No. 1395, dated 2nd December 1896, from the Executive Engineer, South Arcot to the Collector of South Arcot, the demolition of the old Taluk Cutcherry and clearing the site thereof was applied for and sanctioned in G.O., No. 2803, W, dated 7th October 1897.

I therefore request that, if the construction of a new Subregistrar's Office at Chidambaram is necessary, you will be so good as to obtain the sanction of Government under G.O., No. 2806, W, dated 7th October 1892 for the preparation of the necessary plan and estimate by the Public Works Department.

Sent to the Press to reprint.

Endorsement

Endorsement of the Inspector General of Registration, Madras, G.No.6999, dated 8th November 1897 on the above:-

Submitted with the request that Government may be pleased to issue orders for the early preparation of plans and estimates for the construction of an office building on the standard design for larger offices sanctioned in G.O., No.1320, W, dated 13th May 1891, for the Subregistrar of Chidambaram in the South Arcot district.

2. The present accommodation in a rented building is quite insufficient, and a new building is very necessary. Its construction was first sanctioned in G.O. No.2186, Judicial, dated 22nd September 1887, but it was subsequently thought that the old Taluk Cutcherry buildings could be altered to meet the requirements of a registration office. (G.O.No.792, Judicial, dated 19th April 1893).
