ENCLOSURES :—

SIR,

I have the honor to
 bring to your notice that
 the punctuation of the
 penultimate clause of para
 112, Chap I Vol II appears
 to be incorrect as the last
 clause ^{beginning} ~~beginning~~ with "There
 should generally be to ----
 completed" is apparently
 a dependant clause on the
 former. I therefore request
 you will be good enough
 to arrange for the issue of
 an erratum slip for the
 same.

Fl 402

The "full stop" after "forms" in line 12 will
have to be replaced by a 'comma' and the
Capital letter 'T' of the word 'there' will
have to be a small letter.

I have the honor to be
Sir
Your most Obedt Servt

Respectfully
Executive Engineer
