note. Article 1780 of
Grants a charge of Salvo
of Rs. 100 per acre
the Executive and Sanction
of Rs. 100
have to

in charge of two divisions, as a special and temporary arrangement. The Perian disbursementary works were formerly an ordinary sub division of the Madras division. In April 1886, it was considered advisable to place them in the direct charge of an Ex. Eng. (Mr. Smyth) working under the Supt. Eng. but for accounts purposes continued to be a sub division of the Madras division. As Mr. Joyce held charge of these works prior to April 1886, as part of his regular duties in the Madras division, he cannot well claim

G.O. extra allowance for running temporary charge of them. The case does not fall within the letter of the rules, and the Board is of the opinion that a charge allowance cannot be granted without

sanction of the Govt. of India

We have decided that the case falls within Art. 176 C.S.P. Therefore the Local Govt. can sanction it, and I do not see the necessity for going to India.

or

Art. 176 is governed by Art. 178 in regard to the cases specified in the latter. Art. 178 says that the charge allowance is fixed "in the following cases" - & we are therefore bound to follow the cases specified for Art. 178 in Art. 178.

The Govt. has stated his opinion that the charge allowance cannot be granted without the sanction

note

The Perian disbursementary works, though under the charge of an Ex. Eng., under the direct orders of the Supt. Eng., are for accounts purposes worked as a sub division of the Madras division. The accounts thus almost pass through the office of the S.E. Madras division.

The rules do not provide for the grant of any charge allowance to an Ex. Eng. for the charge of an additional sub division.

Special sanction of the Govt. of India would have to be

of the Govt. & the
the can must

I have initiated the
draft though it seems to
me that the local
Govt is fully empowered
to sanction the increment
under 176 C.S.P. without
reference to the Govt. of India,
and is not bound to be
guided by the Examiner's
opinion.

E.J. tells me that Mr
Joyce held charge of
all this work before
Mr Singh's arrival.
In reconsideration thereof,
I do not think his
claim is admissible.

The Perian district
military works, though
under the charge of

The Secy. to the Govt. of India
Sir,

I am directed to
request the sanction
of the Govt. of India to
the grant of a charge
allowance, under articles
176 & 178(h)(i) to Mr.
A. Joyce, Esq. Secy.
Madras division, who
holding charge of the
Perian Distributary works
in addition to his own
own duties, during the
absence of Mr. J. C. S.
Smyth, Esq. Secy., on
privilege leave.

2. The Perigo District
building works do not
form a separate division
in the ordinary acceptation
of the term, for they are
worked, for accounts
purposes, as a sub-
division of the Madras
division, but for
administrative and
construction purposes,
they are under a separate
Executive Engineer, working
under the direct orders
of the Dy. Engineer,
independent of the
Sd. Dy. Madras divn.
Because the works are
nominally a sub divn
of the Madras divn, from
an accounts point of
view, the Examiner
considers that the
extra allowance ad-
missible under Art
178(2)(i) cannot be
granted to Mr. Joyce
without the sanction
of the Govt. of India.
As however the works

are of sufficient im-
portance to demand
the attention of a
separate Ex. Engg.,
this Govt. considers
that the placing of
them in Mr.
Joyce's charge, in
addition to his own
duties, entails a
substantial increase
of responsibility &
additional work,
bringing the case
under the provision
of Article 176 C.S.
Rajya -

3. It is therefore
directed to request
that the Govt. of
India will permit
this Govt. to grant
Mr. Joyce a charge
allowance of Rs. 100
per mensem during
his absence,
subject to the provision
of Art. 120 C.S. Rajya
Nevada

note. The additional
charge imposed on the
force is technically only
a sub-division, but
for construction purposes
it is really an extra
division. The extra
sum charged to fall under
Art. 176 C.S.R. and it
is proposed to add the
Govt. of India to sanction
the grant of a charge
allowance.
