

Public Works (1897) Department.

G.O., No. 3551 W

DATED 7 December 1897

[Despatch Abstract.]

Parties for investigating Irrigation Schemes in Nellore and Bellary D^{us}: Stating that the presumption in para 2 of the Examiner's note that the Special - are to be paid their salaries and placed in such funds as they may require by the Executive Engineers of the divisions concerned is correct and the ^{proposed} Executive Engineers of the two divisions ~~are~~ to be funded accordingly.

SIR,

Enclosures

Sir,
In the order of Government detailing
Mr. H. H. O'Connell Executive Engineer for
investigation duty in this District, no mention
has been made as to who should pay his
this Establishment bills and to what head
of Account they should be charged.
I presume the intention was that this office
should make the payment and that
the charges should be debited to "General
Establishment". I have accordingly
paid his this Establishment Salary
for November 1899 & have the honor to

Madras, 9th December 1897.

OFFICE NOTE No. 1053A/E.

To

W.

With reference to G.Os. Nos. 2676 W and 2955 W dated 24th. September and 22nd. October 1897 respectively, please see accompanying letter from the Executive Engineer Bellary Division intimating that he has paid Mr. O'Connell Executive Engineer and his establishment their salaries for November 1897 and inquiring whether the charges should be debited to "General Establishment".

2. It is presumed the intention of Government was that, the special investigating parties in Bellary and Nellore were to be paid their salaries etc. and be placed in such funds as they may require by the Executive Engineers of the Divisions at those stations and in whose accounts all expenditure incurred by the special investigating officers ^{is} to be accounted for but as no mention is made regarding these matters in the orders referred to, it

will

will be as well perhaps to issue
subsidiary instructions to that
effect. The charges under the head "
"Establishment" should apparently
be debited to "General Establishment".

As regards the Executive Engineer's
request for an additional grant under
"Establishment" this is not necessary
as any excess in this Division will
probably be met by savings in other
Divisions.
