Note: There are no papers here about the original
building but the repairs seem to be really needed
the sum being large it seems only proper
that the work should be done by the professional Dept.

for orders.

The Collector R. M. M. has in
his 2062 of 12 Feb 97 entered this
work to be carried out by the P.W.D.
but as the detailed estimate had
not been prepared did not enter
the amount. - The building is in
charge of the P.W.D. and as the cost
of the repairs is considerable &
of course not provided in the Forest
Budget estimate I should
consider it carried out by the
P.W.D. more apt.
