Establishment.

Read—the following papers:—

From J. C. LARMINIE, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Madras, 2nd April 1897, No. 14 G.L.

I have the honour to submit, herewith, the usual proposition statement of temporary establishment required in this circle for 1897–98 for your approval and sanction of Government.

2. The temporary establishment for which renewed sanction is now solicited has already been covered by sanctions to end of the current official year as per orders quoted in the statement, except the following.

3. *Ganjám Division.*—(*a*) The Executive Engineer, Ganjám division, reports that of the two temporary clerks on Rs. 20 sanctioned for six months in G.O., No. 794 W., dated 6th March 1896, for sorting records, only one was employed for six months from 1st August 1896 to 31st January 1897, that the experience has proved that the low rate of salary allowed has not been a sufficient inducement for duly *qualified* and *efficient* men to accept the *temporary* appointment in the district, and that, with the inexperienced and unpassed man procured, only some of the accounts records were sorted. He, therefore, proposes that two temporary clerks—one on Rs. 30 and the other on Rs. 20—should be employed for a *full year* as without doing so the large mass of records cannot be satisfactorily sorted and arranged.

(*b*) The establishment sanctioned in G.O., No. 2262 W., dated 5th August 1896, for the Division office and for Russellkonda and Berhampur sub-divisions is still considered absolutely necessary by the Executive Engineer for six months in the year 1897–98, the clerk for the Division office being required for clearing off the arrears of the old Ganjám division and the clerks for the sub-division offices being required to cope with the heavy and pressing work in the sub-divisions necessitated by the project works having been still in full swing and also by the impending famine.

(*c*) Provision has been made for a clerk on Rs. 22½ per mensem and a peon on Rs. 9 for employment under an overseer in the Civil Agency sub-division.

4. I agree with the Executive Engineer, Ganjám division, in thinking that the establishment asked for in paragraph 3 *supra* is at present required to bring things into order.

5. The Executive Engineer, Eastern division, Gódávari, reports that he employed a scavenger for clearing the latrines attached to the offices of Eastern and Central divisions and delta sub-division office in 1896–97 from 14th August 1896, and he applied for the sanction of Government, which was applied in this office No. 16 G.D., dated 1st April 1897. Sanction for the continuance of the same is required for 1897–98 also. The scavenger is included in the statement.

Office-note from the Examiner, Public Works Accounts, dated Madras, 15th May 1897, No. 1518 D./E.

The entries in column "Present scale" of the proposition statement have been checked and found correct, except that one draftsman on Rs. 50 per mensem for six months sanctioned in G.O., No. 502 W., dated 20th February 1897, has been omitted in the statement. The necessary correction has been made.

From the Superintending Engineer, I Circle, dated 10th August 1897, No. 377 G.L.
" " " 26th Nov. " " 1539 G.D.

Order—No. 3566 W., dated 18th December 1897.

The temporary establishment required for the I Circle during 1897–98, as detailed in the statement submitted by the Superintending Engineer, I Circle, with his letter, No. 14 G.L., dated 2nd April 1897, is sanctioned with the following remarks:—

(*a*) The clerk on Rs. 20 per mensem for the Dumagudam sub-division has been allowed on the understanding that there is no permanent clerk attached to the sub-division. The Superintending Engineer will report whether this is the case.

(*b*) The provision for one draftsman on Rs. 30 per mensem for the Gódávari Eastern division has been expunged, as a permanent draftsman on Rs. 20—30 has since been sanctioned (*vide* G.O., No. 3074 W., dated 5th November 1897).

(*c*) A special establishment consisting of one clerk and four peons having been separately sanctioned in G.O., No. 1579 W., dated 11th June 1897, the provision for a peon on Rs. 6 per mensem under Mr. Brown, Assistant Engineer in charge of the Vizagapatam Water-works, has been omitted.

(*d*) The establishment for the Ganjám division, as applied for by the Superintending Engineer, is sanctioned on the distinct understanding that, with the exception of the clerks for the Civil Agency sub-division, it is for the last time. The establishment of this division is already greatly in excess of other divisions of the same class, as will be seen from the figures given below:—

Division.	Clerks.		
	Permanent.	Temporary.	Total.
Ganjám	12	13	25
Kistna, Northern	10	8	18
Kistna, Eastern	15	3	18
Kurnool	14	..	14

(*e*) It is also considered that at least one of the temporary clerks in the Vizagapatam Division office could be dispensed with, with proper management, and sanction to his entertainment will be refused after the current year unless the strongest reasons, supported by figures, are brought forward before the close of the year in support of the appointment.

2. This sanction has been registered as Provincial No. 80 W. of 1897–98, and classified as Establishment, Temporary.

(b) The provision for 1 draftsman on Rs 30 per mensem for the Godavari Eastern Division has been expunged as a permanent draftsman on Rs 20-30 has since been sanctioned. *vide* G.O. No 3074 W dated 5th November 1897.

Note

With his letter No 14 G.L. dated 2nd April 1897, the Supdg: Engineer, I Circle, submits a proposition statement for the temporary establishment required for his circle during 1897-98. The statement provides for the following establishment in addition to sweepers and scavengers the necessity for whom needs no explanation.

Supdg: Engineer's Office

(a) 1. Clerk on Rs 20 per mensem

(b) 1. Draftsman on Rs 30 — Do —

As regards item (a), it is submitted that the clerk was entertained in 1895-96 on the ground that the fair copying work in the Supdg: Engineer's office was so heavy that one clerk could not keep pace with it.

vide G.O. No. 810 W d/12th April 1895 and the continued employment of the man has been sanctioned annually. The Suptg: Engineer brings forward the same ground in the present statement. As the correspondence work in the I Circle Office is heavier than that in any other circle, the clerk applied for may be sanctioned.

The employment of a draftsman on Rs 30 per mensem was first sanctioned in 1895-96 for ~~scrutiny~~ scrutinising the estimates for works carried out by the Court of Wards — vide G.O. No. 1828 W dated 25th July 1895 — and this sanction was renewed in 1896-97. The Suptg: Engineer applies for the continued employment of the man during 1897-98. There are in the I Circle 9 estates under the management of the Court of Wards and there is no do ptg: Eer large number s so heavy that on ould not keep pace with it.

cannot be done by the ordina staff and as $2\frac{1}{2}$ per cent is recove from the Court of Wards on the amount of estimates scrutinise the draftsman applied for may be sanctioned.

Godavari Eastern Division

(a) 1. clerk on Rs 20 for the Dummagudem Sub-Division

(b) 1. clerk on Rs 15 for the Delta Sub-Divis

(c) 1. Draftsman on Rs 35 for the Workshops Sub-Division.

(d) 1. Clerk on Rs 15 for the Head Works Sub-Division.

(e) 1. Bill-writer on Rs 29 — Do —

(f) 1. Boat-writer on Rs 20 — Do —

(g) 1. Draftsman on Rs 30 for the Division Office.

Item (a). A temporary clerk on Rs 20 per mensem was allowed for the Dummagudem Sub-Division in G.O. No. 1315 W dated 10 May 1890 on the representation that no permanent man was available. In the absence of information as to whether a permanent clerk has since been posted to the Sub-Division, the provision made may be allowed to stand pending report from the Suptg: Engineer on the matter.

Item (b). In G.O. No 1315 W dated 10th May 1890, the application of the Suptg: Engineer for the entertainment of a clerk on Rs 15 was disallowed. It was subsequently brought to notice ~~again~~ that the number of letters received in the Sub-Division during 1889-90 amounted to 4888, and the number despatched to 4155, in addition to the checking of bills for contractors and the preparation of vouchers for works carried out departmentally, and that the single clerk allowed for the Sub-Division could not get on with the work. On this representation sanction was accorded to the entertainment of the clerk. vide G.O. No 2357 W dated 1st September 1890, and this sanction was renewed annually. As there is no doubt that these reasons

+ Flagd. D

still hold good, it is submitted that the continued employment of the clerk during the current official year may be sanction

Item (c). Prior to 1891, the pay of the draftsman attached to the Dowlaishweram Workshops was charged to "Works", but in G.O. No 1161 W dated 21st April 1891 he and the establishment employed in the other Workshops were ordered to be brought on the permanent establishment. On reconsideration this order was cancelled and the men were ordered to be borne on the temporary establishment. vide G.O. 365 W dated 6th February 1892. As the continued employment of the draftsman in question is necessary, it may be sanctioned.

+ Flagd. E

+ Flagd. F

Item (d). In recommending the Executive Engineer's proposal for the entertainment of the this clerk, the Supdg. Engineer reported that he was convinced that the work in this Sub-Division was much heavier when compared with the work in other Sub-Divisions of the Circle, and considered that the entertainment of an additional clerk was absolutely necessary. vide G.O. No. 3126 W d/4th December 1893. As the state of work in the Sub-Division does not appear to have since changed, the provision made may be admitted.

Item (e). The stock transactions of the Head Works Sub-Division were represented to be so very heavy that they could not be attended to by the Sub-Divisional Clerk in addition to his ordinary duties. The necessity for an additional clerk was recognised by Government and his entertainment was sanctioned in

G.O.

+Flagd H

+Flagd H

Flagd I

G.O. No. 2798 W dated 3rd Novembe 1893. As the stock transaction have not since ceased, the p vision may be retained.

Item (f). It was represented that a number of returns had to be maintained in connectio with boats, that a separate cle was necessary to keep them and that especially during the licensin period there was work sufficient for two men. The provision made for a single clerk for this purpose was not, therefore, considered excessive and was sanctioned in G.O. No. 2798 W dated 3rd November 1893. As the same reasons still hold good, the item may be allowed to stand.

Item (g). An additional permanent draftsma on Rs 20-30 having since been sanctioned in G.O. No. 3074 W dated 5th November 1897 in lieu of the temporary man on Rs 30 per mense per mensem, the provision for the latter in the statement has been expunged.

Godavari Western Division

(a) 1. Clerk on Rs 20 for the Division Office up to 30th Septr 1897
(b) 1 Clerk on Rs 14 — Do —
(c) 1 Clerk on Rs 20 — Do —
(d) 1. Draftsman on Rs 20 — Do —
(e) 5 Tappal lascars on Rs 5 each — Do —

Items (a) and (b). In applying for sanction to items (a) and (b), the Supdg: Engineer reported that the then existing establishment worked very hard, kept no holidays, that Sunday was quite as busy as any other day and that he was therefore compelled to recommend that the two clerks should be sanctioned. vide G.O. No. 3010 W + dated 13th September 1890. As these circumstances do not appear to have since changed, the provision made may be allowed

+ Flagd. J

Item (c)

Item (c) One clerk on Rs 20 per mensem for the Delta Superintendent at the Head-quarters was sanctioned in G.O. No. 1329 W + dated 27th April 1896 as the latter held charge of the lime manufacture for the three Divisions, the management of the floating plant and the collection of stock for most of the Irrigation works. As the same conditions still exist, the provision for this item has been allowed to stand.

+ Flagd. M

Item (d). In G.O. No. 1329 W + dated 27th April 1896, the entertainment of a draftsman on Rs 20 per mensem was sanctioned, the reason advanced being that the two men in the Division could scarcely cope with the work of preparing estimates, and completing village maps &c. As the same reason will still hold good in a Division with

+ Flagd. M

Deltaic area of 3,50,000 acres, the provision of an additional draftsman is not excessive and may be allowed.

Item (e). The 5 Tappal-lascars shown in the statement are stated to be necessary on the ground that there are no lock or other lascars available for carrying tappal on the Ellore and other canals and that there are no post offices in some places where P.W. employés are stationed vide G.O. No. 2798 W dated 3rd November 1893. The provision for this item may, therefore, be passed.

Sup. Engineer's letter embodied in Flag. H

Godavari Central Division

A tappal-lascar on Rs 5 per mensem is provided for this Division for the same reason as that given for the Godavari Western Division. This item may, therefore, be admitted.

A temporary clerk on Rs 15 per mensem was at the same time sanctioned to that Division as it was represented that the work could not be got on without the assistance of an extra clerk. Another man on Rs 15 was sanctioned in G.O. No. 1265 W dated 27th May 1895 as the Suptg: Engineer reported that the work of the Division Office was too heavy for the staff. In a subsequent report the Suptg: Engineer brought to notice that it was not generally possible to procure qualified men for the temporary posts carrying the small pay of Rs 15 and suggested that the pay of the appointments in question might either be raised Rs 20 or that they be brought th- permanent establishment.

In G.O. No. 1892 W dated 30th July 1895, the Suptg: Engineer was asked to resubmit the question of raising the pay of these posts if any difficulty was actually experienced in filling them up. When the Ganjam and Rushikulya Divisions were amalgamated in 1896, all the above with the exception of items (b), (c), (f), (h), (m) and (n) were sanctioned for the combined Division on the representation that some temporary hands were necessary for a few months until work became current, ~~and office~~ Subdivisional routine thoroughly ~~work and routine organised~~ established, and ~~in the Sub Divisions, and~~ ~~until~~ the huge mass of useless records in the two Divisions ~~were~~ sorted and destroyed. But subsequently ~~Since then~~ the Supdg: Engineer reported that the clerical work in the Division office, Russelkonda and Berhampur Sub-Divisions had increased so greatly that, without additional assistance work would unavoidably fall into arrears. One clerk on Rs 20 per mensem for the Division office and 2 clerks on Rs 15 each per mensem for the two Sub Divisions in question were accordingly sanctioned for 9 months vide G.O. No 2262 W dated 5th September 1896.

The records of this Division are still represented to be in a state of confusion and the Supdg: Engineer considers that the provision of the establishment included in the statement is necessary until things are brought into order. Items (a) to (i) have therefore been allowed to stand with the remark that Sanction is now given for the last time ~~early steps should be taken to bring the offices into good order and to reduce the number of temporary hands~~

Items (j) to (l) and (o) and (p)

These men are employed in the Civil Agency Sub-Division which is located in the unhealthy part of the Division. Their services will have to be retained until the works in the Agency Tracts are retransferred to the Agent. The provision made for these items may therefore be admitted.

Items (m) and (n). These establishments are attached to the overseer working in the Agency Sub-Division and are within the sanctioned scale.

~~DOWLAISHWERAM~~, Madras ~~189~~.
2nd April 1897.

SIR,

I have the honor to submit herewith the usual proposition statement of temporary establishment required in this Circle for 1897-98 for your approval and sanction of Government.

2. The temporary establishment for which renewed sanction is now solicited has already been covered by sanctions to end of the current official year as per orders quoted in the Statement, except the following:

3. Ganjam Division.

(a) The Executive Engineer Ganjam Division reports that of the 2 temporary clerks on Rs 20 sanctioned for 6 months in G.O. No. 794 W dated 6.3.96 for sorting records, only one was employed for 6 months from 1.8.96 to 31.1.97, that the experience has proved that the low rate of salary allowed has not been a sufficient inducement for duly qualified and efficient men to accept the temporary appointment in the District, and that with the inexperienced and unpassed man procured, only some of the accounts records were sorted. He therefore proposes that 2 temporary clerks one on Rs 30 and the other on Rs 20 should be employed for a full year as without doing so, the large mass of records cannot be satisfactorily sorted and arranged.

(b) The Establishment sanctioned in G.O No. 2262 W dated 5-8-96 for the Division office and for Russelkonda and Berhampore Sub Divisions is still considered absolutely necessary by the Executive Engineer for six months in the year 1897-98; the clerk for the Division office being required for clearing off the arrears of the old Ganjam Division and the clerks for the Sub Division offices being required to cope with the heavy and pressing work in the Sub Divisions necessitated by the Project works having been still in full swing and also by the impending famine.

(C) Provision has been made for a clerk on Rs 22½ per mensem and a peon on Rs 9 for employment under an Overseer in the Civil Agency Sub Division.

4. I agree with the Executive Engineer Ganjam Division in thinking that the Establishment asked for in para 3 supra is at present required to bring things into order.

5. The Executive Engineer Eastern Division Godavari reports that he employed a scavenger for clearing the latrines attached to the offices of Eastern & Central Divisions and Delta Sub Division offices in 1896-97 from 14-8-96 and he applied for the sanction of Government which was applied in this office No. 16 dated 1-4-97. Sanction for the continuance of the same is required for
