From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Madras, 15th January 1897, No. 28 C.

At the instance of the Consulting Architect, I have the honour to request the orders of Government as to whether the Rs. 500 limit imposed by G.O., No. 1787 W., dated 15th June 1892, and G.O., No. 2806 W., dated 7th October 1892, should be applied to the amount of the estimate for individual works or to the total amount of the several estimates for several different works at the same jail. If, for instance, the Executive Engineer is applied to at the same time for two estimates—the one for improving the kitchen and the other for improving the main gate of the same jail—may he prepare the two estimates for these two separate works, if the aggregate of the two is Rs. 501 though the amount of each of the separate estimates is below Rs. 500?
