To

All Heads of Departments and Administrations.

Simla, the 14th July 1896.

21/2/97

Sir,

I have the honor to forward for information a copy of Military Department letter No. 1125-M.W., dated 24th April 1896, sanctioning the provision of drinking troughs for veterinary hospitals of British troops at stations in the Madras and Bombay Commands as well as at stations in the Bengal and Punjab Commands.

2. I also forward 20 copies of the standard plan approved by Government for the above-mentioned troughs.

I have the honor to be,

Sir,

Your most obedient servant,

W. E. and Col.,
Lieut.-Col., R.E. and Col.,

for Offg. Director General of Mily. Works in India.

CASE 3454-B.

*The Secretary to the Government of Madras
Public works Department*

*Enclosures
20 copies of circular
and standard plan*

Madras

Sent by A.P.

No. 1125-M.W., dated 24th April 1896.

From—The Secretary to the Government of India, Military Department,

To—The Quarter Master General in India.

In reply to your letter No. 619-B., dated the 5th March 1896, and in continuation of Military Department letter No. 2611-M.W., dated the 10th October 1895, I am directed to state, for the information of his Excellency the Commander-in-Chief, that, under the circumstances therein set forth, the Government of India sanction the provision of drinking troughs for veterinary hospitals of British troops at stations in the Madras and Bombay Commands, as well as at stations in the Bengal and Punjab Commands.

2. I am, however, to observe that there are large differences in the estimated cost of these troughs at the various stations, and to request that, under His Excellency's orders, arrangements may be made for the issue of a standard plan to regulate the nature of trough that should be supplied to veterinary hospitals in India generally.

3. With regard to the pump which it is proposed to attach to the trough at Mandalay, I am to say that the Government of India are unable to sanction its provision. Should, however, a pump be found necessary after the trough has been provided, a separate application may, under the orders of his Excellency the Commander-in-Chief, be submitted for the orders of the Government of India.

The foregoing is forwarded to the Director General of Military Works, in continuation of Military Department No. 2611-M.W., dated 10th October 1895.

By order,

JAMES DALLAS, *Captain, R.E.*,

Assistant Secretary to the Government of India.
