*Madras.*

Dated the 10 February 1897

W. H. Hunt  
Superintendent Argentine Engineer,  
Third Division.

No. 3835H Superintending Engineer's  
Office, 3<sup>rd</sup> circle,  
Bellary, 10<sup>th</sup> February 1897.

From

W. B. de Winton Esq,  
Superintending Engineer  
III circle, Bellary.

To

The Chief Engineer,  
P. W. Department,  
Madras.

Sir,

I have the honour  
to inform you that a tempo-  
-rary draftsman on Rs 40, has  
been entertained from the forenoon  
of the 19<sup>th</sup> January 1897 in my  
Office owing to increase of work  
on account of Famine Relief.

2. Many estimates for  
Famine works are being —  
received in this Office for  
check and the existing strength  
in

in the Drawing Establishment  
is not able to cope with the  
work with sufficient rapidity.

3. I also require 3 additional  
peons for 6 months, because  
my whole circle is affected  
with scarcity and the need for  
inspecting famine Relief works  
at great distances apart en-  
tails a very heavy amount of  
travelling and my present peons  
are overworked.

4. A statement of proposition  
is enclosed with a request that  
the necessary sanction of Govern-  
ment be obtained to the appoint-  
ments for 6 months from the dates  
given.

I have the honour to be,  
Sir,

Your most obedient servant,

W. H. H. H.

87207. Supt. dg. Engineer, III Circle.
