Mr. French
appears direct to the
offices concerned for
the documents he requires
they would probably
refuse to give them
without an order of
Govt.

He applies to me
in view to the necessary
authorities being obtained.

In order that
a set may be dropped
for his office approved,
authorising the officers
concerned to supply copies
of the documents.

In the case of
disputed accounts of
Govt. it is usual to
give them my books
they may require for
purposes of appeal,
as long as such books
are not confidential
or privileged - e.g.
of Rangoon River, etc.
which was given

From Mr. E. A. French

(d) True copy of a statement made by Mr. Fletcher after I had delivered over the Estate Engineer'ship to the effect that the Rs 9000 paid him was only an advance for materials to be delivered according to verbal agreement, when required and that he was willing to do so if sufficient time was allowed him. This statement was taken down by Mr. Saylor, the manager Jeypur Estate in the presence of Mr. R. A. Graham, the special assistant agent, and signed by Mr. H. J. Fletcher.

This document is amongst the records of the manager's office Jeypur Estate & can be obtained from the Maharajah Jeypur.
