FEBRUARY.

Local Funds Budget Estimates for 1897-98

Forwarding Proceedings embodying the preliminary issue of the Incorporated and Excluded —.

4. *Excluded Local Funds—Charges.*—The budget estimate of charges for 1896–97 under Excluded Local Funds amounted to Rs. 38,433. The revised estimate has been increased to Rs. 1,51,135 by additional allotments subsequently sanctioned.

5. *Port Funds.*—The budget estimate of charges for 1897–98 under Excluded Local, Port Funds contains all works, original and repair, brought forward by the Presidency Port Officer in his budget estimate of Port and Marine Funds for that year. The Superintending Engineers, I and V Circles, have applied for allotments for a few minor works and repairs, not included in the Presidency Port Officer's budget. These have not been provided as the approval thereto of the Presidency Port Officer does not appear to have been obtained as required in paragraph 2 of G.O., No. 525 W., dated 28th February 1893. The total allotment inclusive of "Establishment" and "Tools and Plant" charges provided in the Port and Marine Fund budget for works to be carried out by the Public Works Department during 1897–98 amounts to Rs. 2,46,781, and the budget estimate has been prepared for this amount.

6. *University Fee Fund.*—The Consulting Architect has applied for a grant of Rs. 3,000 or Rs. 3,735 inclusive of percentage charges under University Fee Fund for repairs to the Senate House during 1897–98. The charge being a recurring one, the allotment proposed has been provided in the budget pending approval of the Registrar of the University of Madras, which the Consulting Architect will obtain.

7. The total estimated charges for 1897–98 both under Port and University Fee Funds thus amount to Rs. 2,50,516.

8. The officers concerned will lose no time in submitting plans and estimates for the unsanctioned works for which funds have been provided in the budget.

9. With these remarks, the preliminary issue of the Incorporated and Excluded Local Funds budget estimates for 1897–98 will be printed and circulated to the officers concerned for information and guidance, and four copies will be forwarded to the Government of India, Public Works Department.
