Incorporated Local Funds

Revenue

The budget estimate of receipts for 1896-97 under Incorporated Local Funds was fixed at Rs 5000. The revised estimate has been reduced to Rs 3700 on consideration of the actuals for the first six months of the year. The latter amount has also been adopted as the budget estimate for 1897-98.

Expenditure

2. The budget estimate of charges for 1896-97 amounted to Rs 5700. The revised estimate has been reduced to Rs 40782 by the following modification of grants subsequently sanctioned:

- (a) Allotments for additional works sanctioned during the year.
- (b) Surrender of grants for the
 - (1) Varahanadi bridge.
 - (2) Maintenance

I see that under that fund provision is made for the building of quarters for Port officers at several East Coast Ports. This is a good work, but, in view of the heavy demands there must be on the funds of the Enterprise for lighthouse improvement & for the repairs work at Coconade, I think these items should be postponed for the present if it is in any way possible to postpone them.

18/2/97

Note for W

An order to this effect has been drafted in the Marine Budget. It will reach the P.W. Dept. in due course. Meanwhile the provision in the P.W. Budget may be all over to stand. The money is not to be spent in the special orders which will issue in the estimates for the buildings when these come up.

all works, original and repair,

year. The Suptg. Engineers
I and V circles have applied
for allotments for a few minor

obtained as required in para
2 of G.O. No. 525 A dated 28th
February 1893. The total allotment
inclusive of "Establishment and
Tools and Plant" charges provided
in the Port and Marine Fund

2. The attached statements A and B show the amounts budgeted for under Original Works and Repairs. The following repair works brought forward by the President, District Board, Kistna, have not been included in the statement B as they do not appear in the budget estimate of the Superintending Engineer, II Circle, whose duty it is to budget for repair works:—

(a) Maintenance of Great Northern road 6 $\frac{2}{3}$ furlongs from the Sita-nagaram head works	RS.
(b) Maintenance of the road from Kankipad to Gudivada within Masulipatam Taluk Board limits, 2 $\frac{1}{2}$ miles, running over the Public Works department channel at Rs. 50 per mile	125

4. Statement C shows the estimated credit to Provincial Public Works Establishment on account of scrutiny of local fund estimates. The Presidents of the following district boards have not, as required by G.O., No. 800 W., dated 29th March 1895, reported the probable contributions payable by them:—

Bellary.	Malabar.
Godavari.	South Arcot.

The figures shown against these districts have therefore been taken from the statement furnished by the Examiner, Public Works Accounts.

14TH MARCH 1895, No. 495 L., LOCAL AND MUNICIPAL.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From J. D. REES, Esq., C.I.E., President, District Board, Nilgiris, to the Chief Secretary to Government, dated Ootacamund, 17th January 1895, No. 1942.

I have the honour to observe that in statement C embodied in G.O., No. 2582 L., dated the 12th December 1894, a sum of Rs. 133 has been entered against the Nilgiri district as the amount of probable credit to Provincial Public Works establishment on account of the scrutiny of local fund estimates during the year 1895-96.

2. I have the honour to enquire how the above contribution was fixed.

3. An allotment of Rs. 15,000 has been provided for in the budget for 1895-96 under "New Works—Communications," and the amount of contribution payable thereon at $2\frac{1}{2}$ per cent. would be Rs. 375 (Rs. 380 in round numbers) on the value of the estimates to be submitted to the Public Works Department for scrutiny.

4. I bring this matter to the notice of Government with reference to the remarks made in G.O., Mis. No. 855 L., dated the 11th May 1894.

No. 92.

Referred to the Public Works Department for remarks.

FORT ST. GEORGE,
29th January 1895.

(Signed) W. FRANCIS,
Ag. Asst. Secretary.

To the Public Works Department.

Memo. No. 569 C.

The sum of Rs. 133 entered against the Nilgiri district as the contribution for the scrutiny of local fund estimates during 1895-96 was fixed in accordance with the procedure approved in paragraph 5 of G.O., No. 2380 L., dated 24th December 1888. The estimate is based on the actuals of previous years.

2. As, however, district boards are in a better position to know what their liabilities are likely to be, it is suggested that they be instructed in the Local and Municipal Department to include the requisite provision in future in the budget estimates submitted to the Public Works Department under the operation of G.O., No. 525 W., dated 28th February 1893.

3. The revised figure, viz., Rs. 380, will be adopted in the final issue of the budget.
