O.D.S. of 18/11/96

I have the honor to bring to your notice that in the statement of watchmen for 1896-97 sanctioned in G.O. No 1950 W Dated 30th July 1896, the pay of the Watchman for the Rest house at Ranipet as given by the Executive Engineer was Rs 5, but the Executive Engineer was paying him at Rs 6 a month.

The Examiner on receipt of the above G.O. drew attention to the sanctioned rate of pay and wanted an explanation to the excess payment of Rupee one monthly. Now the Executive Engineer explains that the man was all along in previous years paid at Rs 6 and that the entry of Rs 5 in the division statement,

which

which was sanctioned by Government,
is a clerical error.

In these circumstances, I request
you will be good enough to obtain the
Sanction of Government to the revised
proposition statement herewith submitted.

I have the honor to be

Sir

Your most obedient servant
