FURTHER PAPERS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of
the Board of Revenue (Revenue Settlement, &c), dated 25th
February 1897, No. 1488 Mis on Endorsement of the Revenue
Department, dated 11th February 1897, No. 829 Mis:-

Resolution.

The Board begs to report, in reply to the ~~reference~~ reference read above, that it considers that pensioned Native Commissioned officers should make useful kitchen Superintendents, paymasters and in some cases, be suitable for employment as Circle Inspectors, and it would suggest that lists of the men available should be furnished to the Collectors of the affected districts as soon as possible. In the Deccan districts, men with a knowledge of Telugu, and in Ganjam, if such are ~~available~~ available, those acquainted with Uriya also, will be required.

2. In Bellary, the Collector has reported that he has great difficulty in finding suitable paymasters and has had to appoint village officers to the work, which is a course the Board has ^{been} ~~been~~ unable to approve... In Ganjam, the Collector states that he has great difficulty in seeing suitable men for Circle Inspectors and the Board anticipates that similar difficulties will shortly be experienced in the Deccan districts.
