READ—the following papers:—

Endorsement from the Executive Engineer, Gódvári Central Division, dated 31st December 1896, No. 295 S.

Forwarded through the Superintending Engineer, I Circle, for favourable consideration.

R. Kamiah has passed the Middle School Examination in the first class and was therefore eligible for a clerk's post under the rules in force prior to 1st July 1894. He also on that date (1st July 1894) held a *permanent appointment* (Lock superintendent on Rs. 12) and therefore under note (1) of the Public Service notification, published in Part I-B of the *Fort St. George Gazette*, dated 21st April 1896, is now eligible for a post on Rs. 15. The Examiner acknowledges this and says he may be promoted to *Lock superintendent* on Rs. 15, but *not* to a *clerk's* post on the same pay. No authority is given by the Examiner for this decision which seems at variance with the rules quoted by him.

Forwarded to the Chief Engineer for Irrigation. The undersigned agrees with the Examiner's view of the case.

To The chief Engineer
for Irrigation
Madras
most honored sir,

With reference to
the Superintending Engineer's
No 1296 E. D dated 23rd Sept/96
forwarding Examiners letter
No 2650 D/E Madras dated
8th September/96 Communica-
-ated to me by the Ex. Engineer
Godavari Central Dn. I beg to
bring to your honor's kind
notice that in note I to Public
Service Notification (revised
up to 31 March 1896) published
in part I B at page 15-3 of
the Fort Saint George Gazette
dated 21st April 1896 it is
clearly laid that "The rules
contained in this notification
shall in no wise affect the
promotion of persons who
held permanent appointments
before they first came into
force on the 1st July 1894,
provided that their promotion
was not already barred
by any rules previously in force."
Accordingly I held the
permanent superior appointments
-men

Appointment on Rs 12
before 1st July 1894. My
promotion was not
already barred by any
rules previously in force.
So in my humble opinion
I am eligible for promotion.
Whereas the Examiner
P. W. Accounts in no
2656 d/2 dated 8/9/96
refers my case to another
article 2 of this notification
which applies only to persons
not already in Public Service
before 1st July 1894 and
states that I can be promoted
to a look Supdt's post of Rs 15
in virtue of my having
held the post of Rs 12 on
the permanent establishment
& in virtue of my having
passed Middle School
Examination in 1st class
before the revised rules
came into force. No
distinction is laid down
between a post of Rs 15 on
the Navigation Estt and a
post of Rs 15 on the Clerical
Estt. I submit therefore

that when I am eligible
for promotion to a look
Supdt's post of Rs 15, I
am equally eligible
for a clerk post of Rs 15.
I have worked as a clerk
to the entire satisfaction
of my superiors for the
last 8 months. I therefore
earnestly beg that your
honor will be pleased
to kindly peruse note I
to Public Service notification
& the Examiner's letter
under reference and to
consider my poor & helpless
case and to do me justice
even by referring this to
the Educational Deptt
in settlement of note I.
For which act of generosity
I am in only bound shall
ever pray.
