J. Hannan, Esq.,
Supg. Engineer, 47 Circle

To,
The Chief Engineer,
P.W. Department.

Sir,

Adverting to the concluding para of L.O. No. 3071 W, dated 29th October 1896, I have the honor to state that the Executive Engineer, North Arcot Division brings to notice that the out-houses attached to the rented building occupied by his office are inhabited by pariahs and have been so ever since the building has been taken up for rent. The Landlord originally declined to give up the out houses for the rent of Rs 40 and these have therefore been specially excluded. There is a well in the compound which is also being used by the persons occupying the outhouses and it is therefore unsuited for the office members.

2. These inhabitants are a great nuisance to the office. It has been ascertained that the rent realized by the land-lord by letting out the outhouses under preference amounts to Rs 7 or 8

a month and that he is willing to make
over the outhouses to the Executive Engineer
if he is paid Rs 5 in excess of the existing
rate of rent viz: Rs 40.

In these circumstances I beg to request
you will be good enough to obtain the sanction
of Government to the extra rent of Rs 5 per
mensem.

I have the honor to be,
Sir,

Your most obedient servant,

H. Annan
Supg. Engineer, Zircle.
