OFFICE NOTE No. 515 *87A*

The estimate is in order, but with reference to the item Land & Kilns (Railings to Hyderabad road in front of Bezwada Quarry) Rs.380 points out that the estimate for the item vide Register No.53 of return of sanctioned estimates of the 2nd.Circle for July 1896 is Rs.380, and the Supg.Engineer in reply to remarks on this return stated that " the outlay will be adjusted in 4 years at Rs.100 a year- but from the revised estimate now submitted the Supg.Engineer intends to adjust the whole amount during 1896-97, as the item is small there appears no objection to this.
