OFFICE NOTE.

From E. R.

To R.

Things seem now to be ripe for the Indian foot to address the foot of India asking for permission to have this line surveyed by the S. I. B. Co.

2. This G.O. No 113. R. dated 20-2-97. The
Madras Government passed orders about the survey
enquiries being made. The results were ^{1st} that the Dyct
S.I. J. took orders from his Board who have now
expressed themselves as ready to contribute their share
of the cost of the Survey from Revenue, temporary.
2nd that the Pudukkottai District have expressed their
readiness and willingness to pay their share also,
and 3rd that the Revenue Dyct have sent in certain
statistics of traffic and that more are being collected.
The Dyct S.I. J. is also arranging for a traffic
survey.

111

The next step is to get the Govt of India
sanction to the survey being undertaken, &
to its amount, Rs. 29,369, & to the Govt
of it according to the British portion of the
route being met from the S.I.R. revenues
temporarily, pending the decision from time
of a Branch line survey.

SIR,

With reference to ^{the} last from a fine line
of June 8. of my letter No. 332. R. dated the 10th
May 1897, and to item II of the list of proposed
lines referred to in the Note of the Com. Engrs for Rs. Madras
which accompanied that letter. I am directed to
inform you that the Board of Directors of the S.I.R.L.
have agreed to a proposal made by their Agent that
the cost of the survey of that part of the proposed
Trichingopoly-Thandi line which lies outside the
State of Pudukottai should be temporarily met
by Revenue.

2. The ^{Pudukottai} ~~Agent~~ ^{Revenue} has also ~~expressed~~ ^{expressed}
this willingness and readiness to its own deposit
in a Government Treasury the proportionate cost of the
survey of the part of the line lying within
that State.

3. The Agent S.I.R.L. has now submitted
an estimate, amounting to Rs. 29,369, of the

probable cost of a regular survey of the line which will, it is believed, be about 85 miles in length. The proportionate cost of the survey of the 45 miles in British Territory is estimated at Rs. 15,547, and that of the 40 miles in the Pudukkottai State at Rs. 13,820.

4. As no steps can be taken by the S.I.R. for the formation of a branch line beyond the line suggested by the Pudukkottai State as explained in the En. Enq. Note, until the country shall have been regularly surveyed and an estimate prepared, & and in ~~the~~ in the opinion of the Government, it is desirable that such an estimate should be available as soon as possible. I am directed to request you that the fact of India may be placed ^{1st} to sanction the survey being undertaken, 2^d to sanction the estimate if it cost Rs. 29,369, and 3^d to sanction a temporary contribution from Revenue, of the S.I.R. of Rs. 15,547. The estimate, which comes to Rs. 345 you will have not seen unreasonable.

5. - I am to add that the Agent S.I.R. is arranging for a regular traffic survey of the suggested line. I am also to enclose a copy of the printed application of the Pudukkottai Durbar to be allowed to aid in the formation of a branch line beyond. I have &
