H.S. No. 728 W. of 12-3-97

To the Secy. to the G. of I. Mily. Depart.

Sir,

In the schedule of demands on account of military works in charge of the P.W. Depart. in this Presidency for 1897-98, forwarded to the Dir. genl. of Military Works with my endorsement No. 2787 W dated 29th Sept. 1896, an allotment of Rs 11,800, or Rs 14,691 inclusive of charges on account of establt. & tools & plant, was asked for, to admit of the construction of a new block of quarters with out-houses, to accom-

moderate four families of the British Infantry detachment at West-Hill, Calicut. The Govt. of India Resolution No 43 M. W. dated 7th Jany 1897, an assignment of Rs 68,500 was made for military works in charge of this Govt. for 1897-98, and, as stated in the Proceedings forwarded with my endorsement No 321 W dated 3rd July 1897, the amount was too small to admit of any provision being made for major works. H.E. the Lt. Genl Commanding the Forces now urges that the Govt of India may be moved to allot a special grant of Rs 11,500 for the works above mentioned, on the ground that the present quarters are very bad, and that the construction of new quarters should be undertaken at an early date. The Lieut. Genl adds that it may be possible for the Govt. of India to allot the sum named, if not at the beginning of the official year, perhaps later on, when extra expenditure owing to existing scarcity and famine relief works ceases.

2. I am directed to submit the request of the Govt. of India for favourable consideration, and to recommend that the special allotment asked for may be made at the earliest possible date.
