Read the following Proceedings of the Board of Revenue (Rev. Sett. Co), No. 14-90 Mis., dt 25th Feby. 1897, on Proceedings of the Revenue Dept., dt 19th Feby. 1897, Press no. 110 and no. 1007 Mis:—

Recorded.

2. The Board begs to enquire with reference to para 2 of G.O. No. 133 Fink., dt 8th Feby. 1897, whether the dictum there in laid down is intended to supersede the powers and discretion conferred on the member of the Board in charge of this Department by Sec. 23 of the Famine Code. The Board presumes that the intention of Government was only to place the Collectors under the orders of Government, in the matter of obtaining financial grants, which is very much the position hitherto obtaining.

3. It also requests that it may be informed in reference to para 16 of the same order, whether collectors are to address Government direct in financial matters, or whether through the Board, and whether in either case such communications are to be sent direct to the Financial Department of Government.

Order thereon No 1212 Mis. of H^y March 1897.

The Board's presumption in para 2 is correct.

Correct.
2. All communications from collectors on financial matters should as heretofore pass through the Board of Revenue and the Revenue Department of Government.
