Vol. II, Chapter II, paras. 78 and 79.

1. When stores of any kind become unserviceable, a report thereof must be made at once to the Superintending Engineer in this form, as it is desirable to avoid keeping worthless materials on stock.

2. In the report should be stated the period during which the articles have been in store or in use, and the cause of deterioration in full.

3. On receipt of the Superintending Engineer's orders as to the disposal of the articles, the Executive Engineer will promptly take the necessary action with regard to their disposal, and submit the report to the Examiner with the accounts of the month in which the credit is made to Stock or Revenue, according as the articles sold are comprised of Stock materials or Tools and plant.

4. A similar form should be used for reporting loss of, or damage to, stock.
