NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2 The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

Note: The appointment of Draftsman is now held by Mahamed Akabk Sab. He was sent for by Mr. H. I. I. as a specialist in drawing owing to the difficulty of securing such men here. Though sanction to his continuance is being obtained in the temporary Establishment, he is practically permanent as his services in this office date as far back as June 1891. The man's services are so useful in this office that I consider they will be required as a permanent arrangement, though in consideration of famine, his continuance may be sanctioned on the temporary Establishment for the present.
