Resolution.—The Governor-General in Council is pleased to fix the cadre numbers and limiting scales for regulating the promotions of Executive and Assistant Engineers for the year 1897, or pending further orders, as below :—

List.	Cadre number for 1897.	Limiting scale.					
		Executive Engineers.			Assistant Engineers.		
		1	2	3	1	2	3
Madras	72	18	11	7	14	11	11
Bombay	84	21	13	8	17	12	13
Bengal	52	13	8	5	10	8	8
North-Western Provinces and Oudh	92	23	14	9	18	14	14
Punjab	115	29	17	11	23	18	17
Local Administrations	130	32	20	13	26	19	20
Railways	180	45	27	18	36	27	27

The rules laid down in paragraph 6 of resolution No. 2523 G., dated 28th September 1893, will continue to operate.

2. The rule laid down in paragraph 2 of resolution of February 1895, quoted in the preamble, for regulating temporary promotions to the 3rd grade of Executive Engineers, will be maintained on all the lists for the year 1897.

3. Attention is specially invited to the fact that the cadre numbers for the year sanctioned under these orders, are intended solely as the basis for calculating the several limiting scales which regulate the promotions of Executive and Assistant Engineers on each list. These numbers are, under present circumstances, fixed on different considerations to those with reference to which the strength of the Engineer establishment is decided. An increase, therefore, in a cadre number for calculating the scale affords no ground for increasing the sanctioned strength, and the fact of such increase cannot be put forward as an argument for increasing that strength.

The Accountant-General, Public Works Department.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Railways, Calcutta, Lucknow and Assam.

Order.—Ordered, that the above resolution be circulated to the Local Governments and Administrations and officers noted on the margin, for information and guidance, and that it be published in Part I of the *Gazette of India*.
