Note on the Six Months Revenue Estimate of the Madras-Ennur Section of the Bezwada-Madras Railway for the year 1897-98

Receipts. The Six Months Estimate is placed at Rs 4000 in Excess of the Budget owing to the carriage of largerquantities of Construction Material for the Bezwada-Madras Railway than previously anticipated.

Working Expenses- The small reduction of Rs 1000 needs no explanation.

The Estimate of Receipts for the ensuing Official year is placed at Rs 4000 less than the Six Months Estimate as Consignments of stores for the Bezwada-Madras Railway are not likely to be as heavy as during the Current year.

The Estimate of working Expenses for 1898-99 is Rs 5000 less than the Six Months Estimate, and is due to reduction of Expenditure on Maintenance owing to the Consolidation of Banks.
