Kilacheri Tank

Directing that the execution of repairs to the — in Tanjore division be proceeded with, the balance of contribution still unrealized being recovered by the Collector by instituting a civil suit after the completion of the work.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.
Account.

Read—the following paper :—

From Lieutenant-Colonel C. C. RAWSON, R.E., Superintending Engineer, V Circle, to the Chief Engineer for Irrigation, dated Chepâk, 14th August 1897, No. 207 E.I.

I have the honour to forward copy of letter, No. 328 S.E., dated 4th August 1897, from the Executive Engineer, Negapatam, and of the two enclosures which accompanied it, and to request the favour of orders as to whether the repairs of the Kilacheri tank are to be completed first, and the civil suit for recovery of the contribution filed afterwards.

2. The execution of this contribution work by the Public Works Department was sanctioned in G.O., No. 279 I., dated 18th March 1897.

Enclosures.

From M.R.Ry. N. RATNASABHAPATI PILLAI Avergal, Rai Sahib, Executive Engineer, Negapatam division, to the Superintending Engineer, V Circle, dated 4th August 1897, No. 328 S.E.

Adverting to your No. 51 N.G./C., dated 1st April 1897, on G.O., No. 279 I., dated 18th March 1897, sanctioning the execution of contribution work of Kilacheri tank, in Pattukkóttai taluk, I have the honour to bring to your notice that the Collector was requested in No. 130 M., dated 13th February 1897, to collect and pay into the treasury Rs. 40 being balance not paid in (out of a contribution of Rs. 314). From Collector's reply No. 1935/Rev., dated 26th April 1897, and No. 2590/Rev., dated 1st June 1897 (copies enclosed for perusal), it will be seen that all have paid in their portions except one Narayana Iyer who has refused to pay his share of Rs. 11–9–7. It is also suggested that there is no means of recovering the amount but by a civil suit.

2. I have therefore the honour to request that you will be so good as to accord sanction for completing the work as per estimate and instituting the necessary civil suit against the shrotriemdar for collecting the amount due by him.

From M.R.Ry. T. S. SAMINATHA AIYAR Avergal, Tahsildar of Pattukkóttai, to the Assistant Collector, Pattukkóttai division, dated 19th January 1897.

Referring to your memo., R.C. No. 1929 of 1895, dated 7th January 1897, paragraph 3, I beg to report that the only individual who has not yet paid the contribution due by him for the repair of Kilacheri tank is one Narayana Iyer. The amount due by him is Rs. 11–9–7. This is a troublesome character and has been evading payment from a long time. When I personally asked him about it on 23rd December 1896, he told me that he could not afford to pay it now and that he would do it after the next harvest. I have requested the Deputy Tahsildar to call on him for its payment there. But I doubt very much the strength of his promise.

2. I beg, therefore, to know whether or not water-rate may be charged for the irrigation of his lands from the Kilacheri tank, for the repair of which he has not paid the contribution.

Ref. on Cur. No. 1929 of 1895.

Submitted to the Collector in continuation of this office Ref. on Cur. No. 1929, dated 29th August 1896.

The Tahsildar has attempted to collect the amount more than once, but unsuccessfully.

2. The man has a definite right to water as a shrotriemdar, and any attempt to collect water-rate would be illegal and lead us in doubtful litigation.

3. I see no way of recovering this arrear of Rs. 11 and odd but by civil suit. Orders are requested.

(Signed) F. D. OLDFIELD,
Assistant Collector.

No. M. 1935/Rev.

Communicated to the Executive Engineer, Negapatam division, for information with reference to his letter, No. 130 M., dated 13th February 1897.
