SEPTEMBER.

Steam Launch

Letter from the Director of the Royal Indian Marine, Calcutta, forwarding, for approval, a new sketch for a — for the Kistna delta system and stating that the estimated cost of Rs. 17,500 will not be affected by the modifications shown in the plan, communicated to the Superintending Engineer, II Circle.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

READ—the following paper:—

From the Officiating Deputy Director, Royal Indian Marine, Calcutta, to the Joint Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated 7th September 1897, No. 2121.

In forwarding herewith, for approval, a new sketch for the construction of a steam launch for the Kistna delta system embodying the alterations required and set forth by the Superintending Engineer, II Circle, Bezwada, in his letter, No. 179 K.N., dated 14th April 1897, to the Chief Engineer for Irrigation, I have the honour to state that the estimated cost of Rs. 17,500 will not be affected by the modifications shown in the plan.

The heading at side under awning is 5′ 7″ only, but this allows the side stanchions and ridges to remain undisturbed when arranging for an 8′ 6″ headway from the water.

I am directed to inform you that the Government of India have suspended the work which has not yet been taken in hand.

ORDER—No. 867 I., dated 23rd September 1897.

Communicated to the Superintending Engineer, II Circle, with reference to G.O., No. $\frac{753}{A}$ I., dated 16th August 1897.

(True Extract.)

Under Secretary to Government,
