Proceedings of the Board of Revenue (Land Revenue), Mis. No. 5027, dated 11th November 1896.

Read—the following letter from J. TWIGG, Esq., Collector of Madura, to the Secretary to the Commissioners of Land Revenue, dated 4th November 1896, Dis. No. 3764 :—

I have the honour to state that one N. N. Nellian Chettiyar of Pallathur and N. P. R. M. V. A. R. Arunachellam Chettiar of Kandamur petitioned me on 5th November 1895 stating that, as Pallathur and Kandamur are important centres of merchants having extensive trade, inland and foreign, combined telegraph offices should be opened at these two stations; that the Superintendent of Telegraphs, Madras Division, whom they addressed in the first instance replied to them that the proposal should come through the Revenue Department; and that they are ready to guarantee for three years an income of Rs. 50 per mensem for both the offices.

2. The Head Assistant Collector reports that there are three telegraph offices within a distance of 10 miles from these two places, namely, Kanadukathan (4 miles from Pallathur and 7 miles from Kandamur), Karaikudi (6½ miles from Pallathur and 6 miles from Kandamur) and Siruvayal (*vide* rough sketch); that no correct information is forthcoming from the records of the three telegraph offices as to what amount of business comes from Pallathur and Kandamur; and that he would recommend the opening of an office at Kandamur alone which would benefit Pallathur also, as the latter is only 3 miles from it. One of the petitioners Arunachellam Chettiyar of Kandamur has agreed to guarantee a monthly receipt of Rs. 25 for the Kandamur office for a period of five years.

3. The proposal deserves favourable consideration.

Resolution—Mis. No. 5027, dated 11th November 1896.

Submitted for the orders of Government.

2. The Board supports the Collector's recommendation.
