READ—the following papers:—

From the Hon'ble J. D. REES, C.I.E., Acting Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 9th October 1896, Ref. on C. No. 3159.

In connection with the revision of the Travancore Public Works accounts which is now receiving attention, the Darbar is anxious to secure the services of a competent accountant having practical acquaintance with the work of Executive Engineer's offices and a thorough knowledge of the system of accounts in the Examiner's office in British India. The Diwan has accordingly requested me to obtain the services of such an officer for a term of five years agreeing to pay him Rs. 160 *per mensem* rising by annual increments of Rs. 10 to Rs. 200, in addition to the usual pensionary contribution. The initial pay and increments seem to be those of a third-grade accountant in Madras, with the difference that in Madras the maximum is Rs. 240.

2. The Examiner of Public Works Accounts, Madras, having been consulted in the matter, agrees to spare an officer on the terms proposed and has nominated T. Kondayya Chetti whose present salary is Rs. 150 a month and who is willing to accept the post on the terms offered. His age is 48½ years and he has 22 years' service in the Madras Public Works Department. I have, therefore, the honour to request that Government will be pleased to sanction his transfer to Foreign service on the terms specified and issue orders for his joining the appointment as soon as possible.

Office-note from D. C. GORDON, Esq., Examiner of Public Works Accounts, Madras, to the Secretary to Government, Public Works Department, dated 22nd October 1896, No. 769-A.

[Your Office-note No. 3634-C., dated 22nd October 1896.]

The facts are as stated in paragraph 2 of letter from the Resident.

2. Sanction of Government is necessary to the transfer under Article 806 (ii) (a) of the Civil Service Regulations.

3. The amount of contribution will be Rs. 12½* *per mensem* at present and hereafter one-eighth of assumed pay under Articles 808 (b) (i) and 809 (a) (ii) of the Civil Service Regulations.

4. As the period for which the services of the Accountant are required is over three years, sanction of Government is requested to fill up his appointment substantively under Civil Service Regulations, Article 109 and note. His name will be retained on the Classified List of Accountant as seconded, promotion from grade to grade being given to him in due course under Article 808 (b) (i), Civil Service Regulations, so that when he reverts from Foreign service he would resume the rank he would have held had he not been transferred.

From F. C. HARRISON, Esq., Officiating Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 23rd November 1896, No. I.A.E.—273-C.

With reference to your memorandum, No. 2313, dated the 10th November 1896, I have the honour to state that the sanction of the Government of India is not necessary to the transfer of T. Kondayya Chetti, Accountant of the Public Works Account Branch, to the Travancore Darbar and to his receiving from the Darbar a salary of Rs. 160 *per mensem* rising by annual increments of Rs. 10 to Rs. 200, exclusive of pensionary contribution. The transfer, however, should be reported to the Government of India under section (iv) of Article 806 of the Civil Service Regulations.

As the contribution payable by T. Kondayya Chetti has to be watched by the Examiner, Public Works Accounts, I referred the matter to him. He agrees in the above view as will be seen from his letter No. 815-A., dated 17th November 1896, a copy of which is enclosed.

Kondayya Chetti may be allowed to draw annual increments of Rs. 10 *per mensem* without the special sanction of the Government of India, as the appointment offered by the Travancore Darbar is Rs. 160 rising in five years to Rs. 200 *per mensem* which is within the pay of the next higher grade on the Madras cadre of accountants.

2. I may mention that T. Kondayya Chetti has lately been recommended for promotion to Rs. 150 in a permanent vacancy from 1st May 1896, and that his pensionary contribution will be Rs. 18-12-0 *per mensem* instead of Rs. 12-8-0 as previously reported.

From F. C. HARRISON, Esq., Officiating Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 23rd November 1896, No. I.A.E.—273-C.

With reference to your memorandum, No. 2313, dated the 10th November 1896, I have the honour to state that the sanction of the Government of India is not necessary to the transfer of T. Kondayya Chetti, Accountant of the Public Works Account Branch, to the Travancore Darbar and to his receiving from the Darbar a salary of Rs. 160 *per mensem* rising by annual increments of Rs. 10 to Rs. 200, exclusive of pensionary contribution. The transfer, however, should be reported to the Government of India under section (iv) of Article 806 of the Civil Service Regulations.

As the contribution payable by T. Kondayya Chetti has to be watched by the Examiner, Public Works Accounts, I referred the matter to him. He agrees in the above view as will be seen from his letter No. 815-A., dated 17th November 1896, a copy of which is enclosed.

ENCLOSURE.

From D. C. GORDON, Esq., Examiner of Public Works Accounts, Madras, to the Accountant-General to the Government of Madras, dated 17th November 1896, No. 815-A.

With reference to your No. I.A.E.—264-C., dated 14th November 1896, I have the honour to state that T. Kondayya Chetti may be allowed to draw annual increments of Rs. 10 *per mensem* without the special sanction of the Government of India, as the appointment offered by the Travancore Darbar is Rs. 160 rising in five years to Rs. 200 *per mensem* which is within the pay of the next higher grade on the Madras cadre of accountants.

2. I may mention that T. Kondayya Chetti has lately been recommended for promotion to Rs. 150 in a permanent vacancy from 1st May 1896, and that his pensionary contribution will be Rs. 18-12-0 *per mensem* instead of Rs. 12-8-0 as previously reported.

MEMORANDUM.

In continuation of Public Works memorandum, No. 3789-C., dated 29th October 1896, the undersigned has the honour to state that Accountant T. GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—the following papers:—

From the Hon'ble J. D. REES, C.I.E., Acting Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 9th October 1896, Ref. on C. No. 3159.

In connection with the revision of the Travancore Public Works accounts which is now receiving attention, the Darbar is anxious to secure the services of a competent accountant having practical acquaintance with the work of Executive Engineer's offices and a thorough knowledge of the system of accounts in the Examiner's office in British India. The Diwan has accordingly requested me to obtain the services of such an officer for a term of five years agreeing to pay him Rs. 160 *per mensem* rising by annual increments of Rs. 10 to Rs. 200, in addition to the usual pensionary contribution. The initial pay and increments seem to be those of a third-grade accountant in Madras, with the difference that in Madras the maximum is Rs. 240.

2. The Examiner of Public Works Accounts, Madras, having been consulted in the matter, agrees to spare an officer on the terms proposed and has nominated T. Kondayya Chetti whose present salary is Rs. 150 a month and who is willing to accept the post on the terms offered. His age is 48½ years and he has 22 years' service in the Madras Public Works Department. I have, therefore, the honour to request that Government will be pleased to sanction his transfer to Foreign service on the terms specified and issue orders for his joining the appointment as soon as possible.

Referred to the Public Works Department for favour of early remarks.

Retransferred to the Political Department with the Examiner's note.

2. There is no objection in the Public Works Department to the Accountant's transfer on the terms stated.

ENCLOSURE.

Office-note from D. C. GORDON, Esq., Examiner of Public Works Accounts, Madras, to the Secretary to Government, Public Works Department, dated 22nd October 1896, No. 769-A.

[Your Office-note No. 3634-C., dated 22nd October 1896.]

The facts are as stated in paragraph 2 of letter from the Resident.

2. Sanction of Government is necessary to the transfer under Article 806 (ii) (a) of the Civil Service Regulations.

3. The amount of contribution will be Rs. 12½* *per mensem* at present and hereafter one-eighth of assumed pay under Articles 808 (b) (i) and 809 (a) (ii) of the Civil Service Regulations.

4. As the period for which the services of the Accountant are required is over three years, sanction of Government is requested to fill up his appointment substantively under Civil Service Regulations, Article 109 and note. His name will be retained on the Classified List of Accountant as seconded, promotion from grade to grade being given to him in due course under Article 808 (b) (i), Civil Service Regulations, so that when he reverts from Foreign service he would resume the rank he would have held had he not been transferred.
