Sir,

I am directed to report, for the information of H.E. the Governor in Council that Mr. J.F. Somers Esqr., Ex. Engr., under instructions has been deputed by this Govt. to visit Bombay for the purpose of inspecting the house connections of the city drainage scheme, and to aid him in the preparation of a project for the drainage of Ovlaccunnel, and that opportunity has been taken of his visit to direct him to inspect the Tansa Lake. He has been instructed to learn all that he can about the construction of the dam, and to take notes on whatever he considers may be found of practical importance in constructing reservoirs in this Presidency. The Commissioner of the Bombay Municipality has been requested to render him any assistance he may require in his inspection of the house connections in the City, and I am directed to request that, with the permission of the Govt. of Bombay, the local officers concerned may be instructed to afford him the necessary facilities in his inspection of the Tansa Lake.

This paper having been marked "Urgent" by E.I., I forward it for orders, although it will not obtain effect until the authorized date.

Mr. Somers-Sue might perhaps be told D.O. before he leaves Ootacamund, to make the inspection desired by E.I. the formal orders on the subject can follow - the Govt. of Bombay will have to be informed - this can be done after Mr Somers-Sue joins at Madras.

The papers
