DATED 21. October 1897

[Despatch Abstract.]

Mr W. C. Lewis Executive Engineer, Stating

His Excellency the Governor.
The Hon^{ble} Sir Henry Bliss.
The Hon^{ble} Mr. Justice.

READ the following:—C No 9056

FOR ORDERS.

Mr. W. C. Lewis, Executive Engineer 1st grade qualified under the time limit rule for promotion to that grade in which, moreover, there were vacancies, on 1st October 1895, but his promotion was deferred for 18 months for neglect of duty while in charge of Coimbatore Division.

Meanwhile his juniors, Messrs. Lusher, Mallett and Lambert completed 19 years' service in the Department, and thus became eligible for promotion to the 7th grade of Executive Engineers; and, there

H. L. 29.9.97 R 5.10.97

being vacancies for all,
they accordingly superseded
Mr Lewis. Thus their
names appear in the
Classified List, before
the name of Mr Lewis. This
is the point against which
Mr Lewis now appeals. If
this arrangement be
allowed to continue the
punishment inflicted on
Mr Lewis will be continuous,
and if — as it is believed
to be the case — Government
is really intended to punish
him for the time being it
is submitted that he
may be reinstated in the
position that he would
have occupied if his
promotion had not been
stopped. His reinstatement
is recommended accordingly.

FOR ORDERS.

I think this should be done. There have been
good reports of Mr Lewis from all quarters.

Dr.

Mr W. C. Lewis, Esq.
Engineer, 1st grade: qualified
under the time rule for pro-
motion to that grade on
the 7th October 1895, but his
promotion was deferred for
18 months by way of marking
the displeasure of Govt at
his dereliction of duty.

Meanwhile, his juniors,
Messrs. Assheton, Malet and
Lambert superseded him
by receiving promotion to
the 7th Executive grade on
the 1st October 1896, or 6 months
before Mr Lewis was
moved to that grade.

It is thus that the
names of Messrs. Assheton,
Malet and Lambert appear
in the Classified List at
that of Mr Lewis. By
this arrangement, Mr Lewis

Appeals, relying on the
alleged assurance by
that the postpone-
ment of his promotion
to the Executive grade
would not interfere with
the prospects of his future
advancement in the
Department.
