as a resthouse provided that it is not required
as quarters by an upper subordinate.

Note for His Excellency the Governor.

With reference to His Excellency's rescript dated 21st June 97 flagged E, it has been ascertained that the Hill Bungalow at Ongole has actually been in use as a rest house for a considerable time, and that it was occupied as quarters by a European Overseer for a short while and thus appears to have got to be called overseers' quarters. Being situated on a hill outside the town, it is probably not suitable as a residence for native Upper Subordinates.

The building was erected or purchased in 1853, and it cannot now be ascertained whether it was acquired or constructed expressly for use as a residence.

The Examiner considers that formal permission of Govt. for the continuance of the use of the building as a rest house

is necessary, and a L.O. is
submitted accordingly for approval.

Although not suitable for a
native officer subordinate position,
it would be useful as such if
a ^{European} has posted to
the M.D.; a proviso to that
effect is therefore inserted.

3. I have the honor to inform you that the Hill Bungalow at Ongole has been a rest house for a considerable time, and used as such by officers of all Departments.

2. It was occupied by a European Overseer for a short time, who paid rent, and hence it appears to have got to be called overseer's quarters.

3. A similar case is at Atmak
but the name of the building is
still rest house in the list. In the
letter N^o. 211 C d, 22.5.97 forwarded
with your N^o. 116 N. L. d, 3.6.9,
you will see that a rest house
at Gudaw and Kaval are at-

Chief Engineer, P. W. D., with reference
to G.O. no 1812 W of 3rd July '97. The
bungalow is on a hill outside the

be acceptable as a residence for
a native Upper Subordinate.
