ORDER.

Under Art. 91(a) & (c) C.S. Regulations, Mr. Somers Eve, Executive -- Engineer, is permitted to accept a -- fee of Rs. 280 from the Committee of the Ootacamund Club for the preparation of designs for new buildings. It is understood that the work will not include the preparation of -- working drawings and the general -- supervision of construction.

N O T E .

Mr. Somers Eve states that he can do the work required by the -- Committee of the Ootacamund Club without prejudice to his other -- (official) work. The case thus falls under Art. 91(a) G.S.R., and he may -- therefore be permitted to retain the fee.

Apparently he is not to prepare working drawings and to supervise the construction of the proposed buildings. When an officer is permitted to do this, the fee should be credited to Government, which can at its discretion give the officer the whole or part of the fee.

Sir,

The Committee of the Cotacamund Club have asked me design some new club chambers on the usual remuneration. I have the honor to request that you will, if you approve, obtain the sanction of Government to allow me to undertake this work. It will be good practice for me, and I can do it without prejudice to ^{my} other work.
