NOTE BY TECHNICAL SECTION.

Name of work Senate House at

Madras.

The accompanying two estimates amounting in all to Rs 966 for works to the Senate house at Madras have been passed for execution by the ~~University~~ University of Madras.

The estimate, amounting to Rs 750, provides for the annual repairs to the building, such as, woodwork, carpenteries, painting & replastering floors, repairing ornamental framed canvas ceiling, removing decayed chunam plaster & replastering the same with 1/2 Portland cement, repairing new zinc down fall pipes &c. &c.

In this estimate, the items under latenti metalting, amounting to Rs 241, have been struck out by the Registrar, which has reduced the estimate from Rs 1008 to Rs 750.

The estimate, amounting to Rs 216, provides for 2 ventilators & for steps leading to the building.

The work to be done by the

Details as a rule are not submitted as the work is a repair & not a new one

I do not see what that has to do with it. Estimate should be called for.

The Senate house roof is reported to be badly ventilated and has no light. Consequently the place is infested by bats & inaccessible for cleaning purposes. The estimate therefore provides for 2 galile ventilators on each of the north & south faces and for steep ladders to give access to the roof.

Many of the notes cannot be examined with the schedule as they are for repair works.

The estimates have been countersigned by the Registrar of the Univ. of Madras & the Acct. General has been authorized to place the necessary funds for the purpose.
