From the Govt. Pleader, Madras,  
to the Executive Engineer, Madras,  
No: 287 of 6 October 1896: —  
750 m. distance to gun No: 1141 m

No: 287 / With reference to gens No: 1141 m.  
of 30 September 1896, I have the honor  
to state that the properties were brought  
to sale yesterday but were not sold as  
there were no bidders. It is no use, I  
think, bringing the properties again to  
sale unless the Government is prepared  
to purchase them in the first instance  
and try and sell them to others after-  
wards. You may put yourself in com-  
-munication with the Collector & ascertain  
the market value of the properties and  
whether they can be purchased on be-  
-half of the Govt. and, if so, for what  
amount. On receiving further instruc-  
-tions from you in the matter, I shall  
again apply for sale.

2. The Tahsildar of Piriakulam ob-  
tained the Enneumbrance Certificate  
in respect of the properties from the Sub.  
Registrar of Uttamapalayam. The latter  
charges a fee of Rs 10 for granting the cer-  
tificate. I send herewith the correspon-  
dence on the subject. I request you

will be so good as to remit the money to the Sub. Registrar of Ettimappalayam and forward his receipt to me as the same must be filed in Court. The amount will be included in the amount of costs recoverable from the Judgment debtor.

3. I have enclosed a memo of expenditure hitherto incurred. I request you will be so good as to remit the amount to me.

To  
The Chief Engineer, P.W.D.

SIR,

ENCLOSURES.

In forwarding herewith copy of letter from the Govt. Pleader, Madurai, to the Executive Engineer, Madurai, No. 287 of 6 October 1896, I have the honor to inform you that the sum of Rs 18-12-0 therein referred to has already been paid and included in the Contingent bill of the division for November 1896. But the Examiner of P.W. Accounts has passed the amount of Rs 18-12-0 without the sanction of Govt. for the ad-  
-mission of the charge.

2 In G.O. No. 2334 W dated 19 September 1896, sanction was accorded for the payment of only Rs 365-7-0 to the Government Pleader for defunding the suit brought by the late liquor seller at the Periyar, which has already been paid.

3. Of the sum of Rs 18-12-0 referred  
to in para 1 above, Rs 10 were paid to  
the Sub. Registrar, Cuthamapalayam  
being his fee for Encumbrance certi-  
ficate which was applied for with a  
view to take the properties in auction  
for Government; there being no bidders  
for the same. The balance Rs 8-12-0  
was paid to the Govt Pleader, claimed  
by him as arrears due to him.

4. Under the circumstances I re-  
quest that the sanction of Govt.  
may be obtained to authorise the  
Examiners to admit the charges.

I have the honor to be  
Sir,

Yours most obedt Servant.

Note for H.S. The Foreman

Current no 1454  
is an application from  
the Super Sup VI circle  
for sanction to admit  
charges to the amount  
of Rs. 18-12-00 incurred  
in connection with a  
suit brought some  
time back by a  
liquor seller at the  
Periya works against  
Mr. DeWinton, who  
was then Supt. of Works  
in charge of the project.  
The liquor seller's  
shop was constantly the  
scene of drunken brawls  
& a great deal of crime  
in the camp was traced  
to its influence - Mr.  
DeWinton thereupon  
expelled the man

from the camp. The lower  
court filed a suit against  
Suz de Winton for Rs. 4,500  
damages. The case was  
heard in the Subordinate  
Court of Madras, which  
adjudged the plaintiff  
Rs. 300 with proportionate  
costs. With the sanction  
of Govt, an appeal was  
preferred to the District  
Court of Madras, which  
reversed the finding of  
the lower Court, & directed  
the plaintiff to pay both  
his own costs and those  
of the defendant.

In No. 2334 W  
of 19.5.95, sanction was  
given to the disbursement  
of a sum of Rs 365-7-  
being costs incurred by  
the Govt. Pleader in de-  
fending the suit. The  
further sum of Rs 18-12-  
for which sanction is  
now sought appears to  
have been incurred

in the endeavour to remove  
costs from the liquor sales.  
The amount has been  
paid, and sanction is  
asked for to remove  
and its objection.

A draft L.O. on  
the current is submitted  
for approval.
