LETTER—to

THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA.

MY LORD,

With reference to our despatch No. 36/3352 W., dated 23rd November 1896, accepting your Lordship's sanction to the deputation to England for twelve months of Sub-Conductor S. Hearne of the Madras Public Works Department, we have the honour to state that an appeal has been submitted to us by that subordinate, praying that the provisions of article 103, Civil Service Regulations, may be relaxed in his case, and that he may be allowed full pay during the period of his deputation. The grounds of his petition are that he is leaving a large family in India, and that his deputation to England is in the interests of the State; and, as his pay is but small and quite insufficient to maintain himself at home and his family in this country, we strongly commend the request to your Lordship's favourable consideration under the note to article 103, Civil Service Regulations. Sub-Conductor Hearne is a most excellent subordinate and is deserving of this concession.

2. Sub-Conductor Hearne embarked for England from Bombay on the troopship sailing on 12th February 1897.

We have the honour to be,

My Lord,

Your Lordship's most obedient, humble servants,

request. A request preferred in this
