Executive Engineer's Office
Commutation Division
Commutation of May 1896

From

S. D. Asphitab Esq

Executive Engineer Commutation Division

To

The Superintending Engineer
Hauz Khas Circle, Commutation Division

Sir, I have the honor to bring to your notice that the building known as "Soldiers Shed at Paramaty" in Hauz Khas was leased out to one Madan Lal. Another one a monthly rental of Rs. 2-8-0 and he paid in advance the amount due for the period from 13th August 1894 to 10th April 1895. After expiry of that term, the building was found locked up and being in his possession could not be let for rent.

On writing to the Sub Divisional Officer to find out the name and recover the rent, he reported that his whereabouts were not known. From 11th April 1895, the rent for every month is being charged against the occupant in the books of this office on the Sub Divisional Officer's information that the building is still in his possession. The total amount recoverable to end of March 1896 is Rs. 29-2-8.

As it was impossible for the Sub
Divisional Officer to find out the man
and there was no chance of recovering the
rent, I addressed the Collector to take any
legal steps against him with a view to
obtain possession of the building which has
been kept locked up by him, but the Collector
replied that he was unable to do so and
suggested that the matter might be
settled through the Civil Court.

I therefore request that permission
may be granted to prefer a Civil Suit
against the occupant to take possession
of the building in question and recover the
rent.

I have the honor to
be, Sir,
Yours faithfully,
A. A. G. Malet Esq
Executive Engineer

N^o 335 dated 19th June 1896

It is thought better to save un-
necessary delay and expense to take
possession of the building by breaking open
the lock of the door in the presence of
village officials and taking a list of
things therein by the village officials. These
may be sold by public auction after advertising
in the Gazette for some time say one month.

I have the honor to
be, Sir,
Yours faithfully,
