READ—the following papers:—

From W. W. PHILLIPS, Esq., Acting Head Assistant Collector of Nilgiris, to the Collector of Nilgiris, Ootacamund, dated 14th November 1896, No. 827.

With reference to your No. 1458 of 1896, I have the honour to inform you that the Public Works Department rest-house at Gúdálúr is the most suitable building for the use of the Head Assistant Collector and District Munsif, Gúdálúr, while in camp there. As he has to hold a sessions there every month, during which the Local Fund bungalow is often required for the accommodation of planters and others who come in as parties or witnesses, I think it is only reasonable that he should have some other accommodation than tents.

2. The rest-house is in charge of a peon on Rs. 9 per mensem and I would recommend that the building be taken over by the Revenue Department and the present establishment on Rs. 9 continued with the sanction of Government.

No. 1458.

Copy communicated to the Executive Engineer, Coimbatore, for information and remarks on paragraph 2 of the Head Assistant Collector's letter, with reference to his letter No. 3564, dated 23rd October 1896.

Copy forwarded to the Superintending Engineer, with reference to his Nos. 552/C.I. and 598/C.I., dated 29th September and 17th October 1896, respectively, and with a request that the orders of Government for the transfer of the rest-house at Gúdálúr to the Revenue Department may be obtained.

Submitted to the Chief Engineer, Public Works Department, with a request that he will be good enough to obtain orders of Government for the transfer of the building under reference to the Revenue Department as it is not required by the Public Works Department.

6th January 1897.

Reference on the above, dated 26th January 1897.

Forwarded to the Collector of Nilgiris who is requested to explain fully the necessity for taking over the Public Works rest-house at Gúdálúr. Under paragraph 4 of the rules issued in G.O., No. 2584 W., dated 22nd August 1888, communicated with Board's Proceedings, No. 817, dated 22nd September 1888, Public Works rest-houses can be used by officers of other departments when on duty, and this provision would seem to be sufficient for the Head Assistant Collector who is only required to spend 10 days in the month at Gúdálúr. Although the Public Works Department may not actually require the bungalow in question for its own use, still that department would seem to be the most suitable one for holding charge of a building which is intended for the common benefit of all departments.

G.O., No. 380 R., Revenue, dated 26th February 1897.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 620, dated 18th February 1897:—

Read—the following letter from J. H. A. TREMENHEERE, Esq., C.S., Acting Collector of Nilgiris, to the Secretary to the Commissioners of Land Revenue, dated Ootacamund, 2nd February 1897, Ref. on Cur. No. 1458:—

In reply to Board's Reference on General Register No. 38 of 1897, dated the 26th ultimo, I have the honour to state that, for the reasons given in the Head Assistant Collector's letter returned with the file, it is very necessary that the rest-house should be kept up. If the Public Works Department would keep it up, there would be no necessity for the Revenue Department to take it over; but the former does not require it and, I am informed, intends to dismantle it. I should welcome the retention of the rest-house by the Public Works Department, but if it is not to be kept up by that department, it seems necessary to take it over.

Resolution—Mis. No. 620, dated 18th February 1897.

Submitted to Government with reference to its endorsement, R. No. 16, dated 6th January 1897.

2. In the circumstances reported, the Board supports the Collector's proposal to take over the Public Works rest-house at Gúdálúr.
