Letter from Captain Wm. Ellis R.E.,
Executive Engineer, Alaska Northern
Dist., to the Supg Engineer, 2nd Cirle
2/13/97, No 801 S.E.

I have the honour to inform you that on the 6th October 1896 Asst. Engineer Mr Kharegat travelled in a first class compartment attached to a goods train that being the earliest train that started after the Sub D.ⁿ Officer had received information about leakage through the weir in the Dondapad tank. For attaching this carriage to a goods train the Railway authorities charged him with Rs 10/- under a special ticket. Deducting, therefore, from this Rs 6-6-0 to which he would ordinarily be entitled when travelled in a passenger train, a special claim was made for the balance of the ticket, viz, Rs 3:10:0 which the Examiner disallowed and in doing so asked ^{for} particulars as to what is meant by a special ticket.

The circumstances were explained in the Dis. List but the Examiner states that sanction of Government is necessary to admit the claim.

2. The matter was one of extreme urgency and there can be no doubt that the action of the Asst. Engineer was the proper one in the interests of Government. I, therefore, request you will be good enough to obtain the necessary sanction.
