Dated the 25th Dec 1899

Part II.

revision of establishment.

calculated according to the rules in the Pay and Acting allowance code.

Executive Engineer,

III Livele. Division

Dated the 8th March 1897.

Letter from J. H. Tomers Esq. Esq., Executive
Engineer Bellary Division No 1340 dated 26th
February 1897 to the Supt. Engineer, III Circle.

I have a reliable applicant for post
of Store-keeper at Anantapur. He is a European
pensioned serjeant, who has been in charge of
the Orphanage at Bellary, and has good
certificates. I have the honour to recommend
him for the post on Rs 40.

No 4367 W of 8 March 1897

Encls
1 Proposition
Statement

Copy forwarded to the Chief Engineer
P. W. Department with a request that he will
be good enough to obtain the sanction of Government
to this appointment in lieu of that on Rs 15 —
sanctioned in G. O. No 2814 W of 1st October 1896.
Every endeavour has been made to find a suitable
man on Rs 15, who could furnish the required
security, but without success, and the failure
has caused great delay in the execution of famine
works in Anantapur, because in the absence
of a Store-keeper, Mr. Heinig the Assistant
Engineer in charge, has to go to Anantapur himself
whenever he has to issue tools. If this very
unsatisfactory state of things is to be
stopped the appointment of the present applicant
for

for 6 months seems unavoidable. A
revised proposition statement is attached.

W. W. Hunt

Sept. Engineer, III Circle. 6.3.97
of the Engineer at Ballou, and has good
personnel. I have the honor to recommend
him for the post on 6.3.97.

No. 1067 of 6 June 1897
Copy forwarded to the Chief Engineer
of the Department with a request that he will
be good enough to retain the sanction of Government
to this appointment in lieu of that on 6.3.97.
Corrected in J. O. No. 2814 W of 12 October 1896.
Every endeavor has been made to find a suitable
man on 6.3.97, who could furnish the required
account, but without success, and the failure
has caused great delay in the execution of former
works in Washington, because in the absence
of a Receiver, the Acting the Assistant
Engineer in charge, has to go to Washington leaving
enormous to be done there. If this very
unsatisfactory state of things is to be
stopped the appointment of the present official

for 6 months seems unavoidable. A
revised proposition statement is attached.
