2. With reference to the instructions issued by the Board in regard to the position of paymasters, its attention will be drawn to the policy laid down in rule 23 of appendix VI that the paying agency shall be distinct from the agency charged with the execution and supervision of works. It was, therefore, decided in G.O., No. 57, dated 28th January 1897, that paymasters should be appointed by the Collector; the direction in G.O., No. 133, Financial, dated 8th February 1897, that these officers shall be regarded as P. W. disbursers was for the purpose of securing conformity to the rules of the Public Works Department, and it was never intended thereby that paymasters should be made subordinate to the Executive Engineer or that they should cease to be responsible to the Revenue Department.
